

Cambridge Drawing Society WORKSHOPS 2019

Cambridge Drawing Society has organized FOUR tutored workshops this coming autumn. Three of the workshops will be held in Grantchester Village Hall from 10.00-4.00. Sherry Rea's workshop will be run in her home studio as she will be using heavy printing equipment. Each workshop will be limited to 10 places to ensure that the tutor has adequate time to devote to all participants. Members and non-members are welcome and no previous experience is necessary.

If you would like to secure a place in one or more of these please complete and return the application form to the Secretary, together with the appropriate cheque. A list of materials/equipment to bring is listed in the event posting on the website. Tea and coffee will be available but you should bring a packed lunch. Early booking is advised as last year's workshops were oversubscribed.
